Accompanying/Supporting Information

To accompany any application for planning permission, the following documents, in the first instance, should be submitted in line with both national and Local Validation Procedures.

Failure to do so would mean that any application without these would not be validated.

Red edge site location plan at a scale of 1:1250

Application form and certification of ownership

Existing and proposed site plan

Existing and proposed elevations

Existing and proposed floor plans

Design and Access Statement

Planning Policies

In the consideration of the proposals, the following policies are relevant to the scheme and would be taken into consideration should any application be formally submitted:

NPPF National Planning Policy Framework

EN1/2 Townscape and Built Design

CF1 Proposals for New and Improved Community Facilities

HT2/4 Car Parking and New Development

HT6/2 Pedestrian/Vehicular Conflict

EN7/2 Noise Pollution

The pre-application seeks an extension to the rear of the club to form a games room.

Considerations

Impacts on amenity

In terms of the proximity to the neighbours at the rear, the extension would be very close to the shared boundary. To reduce the impact of the height and massing of the extension it is therefore advised that the roof form be changed to a hipped roof rather than a pitched roof which would be less overbearing to these neighbours at the rear. You may also want to consider pulling the building slightly further back off the boundary to provide a 'relief' between the new build and neighbouring boundary as these properties are a little lower than the site.

Any windows should be restricted to the side elevations to avoid overlooking of the neighbours which is shown to be the case on the submitted plans.

Materials should match the existing building.

Highways section response

The site has little if any parking although there is a small area at the rear that could be used off Redford Street.

The increase in floor area is fairly modest so do not believe we could insist on an policy compliant parking provision that could not be achieved at this site in any event.

There is nearby parking on street.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
