Proposal: Single storey extension at side/rear

Location: 2 Rosebank Close, Ainsworth, Bolton, BL2 5QU

Description

The property is a two storey end town house. It has a small garden to the front and a fenced garden to the side and rear. To the rear of the garden is a drive and detached garage. The site and surrounding area is within the Green Belt.

The application proposes a single storey extension that would project 3m deep at the rear along the boundary with the adjoining No.4. It would extend across for 3m where it would then be angle across and then extend along the side of the property for 1.5m and which would come 1.6m out to the side. The extension would form a dining area.

Relevant Planning History

None.

Publicity

Surrounding neighbours were notified by letter and no responses have been received.

Statutory/Non-Statutory Consultations

None.

Pre-start Conditions - Not relevant.

PfE	Places for Everyone

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF), the adopted Places for Everyone Joint Development Plan Document (PfE) and the saved policies within the adopted Bury Unitary Development Plan (UDP), together with other relevant material planning considerations.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP and PfE Policies will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Green Belt - The statement notes the proposal to be a 19.6% increase. This would be below the 33% as set out in SPD6. In addition the site is on a residential estate all of which is washed over by the Green Belt.

Visual amenity and design - The proposed extension would be flat roofed with a roof light and bi fold doors to the rear. The walls would be finished in off white render. Whilst the proposal would differ in roof design and materials to the main house it would result in a modern addition to the property and located within the rear garden would not be a prominent feature in the street.

The proposal is considered acceptable and would not have a detrimental impact on the visual amenity of the area.

Parking - The proposal would not affect the existing parking arrangements to the rear.

Residential amenity - The proposed extension would run as blank wall along the boundary with the adjoining No.4 which is set slightly deeper and the proposal would project less than 3m deep from its rear.

There would then be no serious impact on the amenity of this adjacent neighbouring property.

The proposal complies with UDP Policy H2/3 and SPD6 - Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 01,02,03 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan and Places for Everyone Joint Development Plan listed.
