Dear Sir,

Many thanks for your time on the phone just now.

As discussed in relation to the jointing chamber at the base of the telegraph pole on the footway where you have a proposed dropped kerb scheme; Bury council have signed up to the Openreach Frame & Cover Agreement LN320 and will carry out all works related to the frame & cover and its levels as long as they are within a 150mm variation tolerance.

If you have any further questions, please do not hesitate to get in touch.

Best wishes

Zac Bhaiyat

Repayments project engineer
