The existing property is an occupied dwelling that has undergone works previously. The proposed works seek to maintain the property as an occupied dwelling whilst converting the existing, integrated garage into a habitable space. There is no change of use class required for the proposed works.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed works are in line with current Planning legislation (to the best of BTP's knowledge) and there is no proposed change in the use class of the existing property.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Please state the applicant's interest in the land

- ☐ Owner
