Proposal: Single storey porch and wc extension at front

Location: 10 Cleveland Close, Ramsbottom, Bury, BL0 9FH

Description

The property is a detached dwelling with a drive to the side that leads to a attached garage and there are large gardens to the front and rear. To the east, the site shares boundry with No. 12, 14, 24 and 28 Cleveland Close. On the opposite side, the site shares boundary with No.8 Cleveland Close and a public footpath runs along the south on the property.

Planning permission is sought for the erection of a single storey front porch. The proposed porch would project 1350mm to the front and run 3880mm to the side. However, the structure would have a mono-pitched roof that would extend 2350mm beyond the porch element to coonect with a column. The development would facilitate entrance area along with a toilet. The proposal would be constructed with matching materials.

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF), the adopted Places for Everyone Joint Development Plan Document (PfE) and the saved policies within the adopted Bury Unitary Development Plan (UDP), together with other relevant material planning considerations.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP and PfE Policies will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual Amenity

UDP Policy H2/3 and SPD6 seeks to achieve a high standard of design that compliments the original building, does not have a detrimental impact on the character or appearance of neighbouring properties, and protects the general street scene.

Situated to the front the proposed porch would be visible from the street scene. However, the development would be a modest structure with a simple and unobtrusive design, which would not detract from the character of the dwelling.

Overall, the proposed development would be constructed with materials that would be in keeping the existing and the proposed windows would appropriately align with the existing. As such, the proposed development would not be a prominent feature in the street scene and would comply with Policies H2/3 of the Bury Unitary Development Plan and SPD6.

Residential Amenity

SPD 6 and H2/3 seek to reduce the impact of proposals on the residential amenity of neighbouring properties.

The front porch extension would have no proposed side windows facing the adjacent neighbouring properties. Furthermore, there would be sufficient distance to the the properties in front and the development would not interfere with existing parking arrangement. Therefore, there would be no serious impact on the amenity of any adjacent neighbouring properties.

The proposal therefore conforms to UDP Policy H2/3 - Extensions and Alterations and the requirements of Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

Highways

The proposal will result in no additional bedrooms and there will be no changes to the parking layout. Therefore, the driveway at its current condition would meet the maximum parking requirements.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered dwg no. AT1-00, dwg no. AT1-01, dwg no. AT1-02, dwg no. AT1-03 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 The external finishing materials for the proposal hereby approved shall match those of the existing building.
Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
