

Not to be scaled for site setting out or construction purposes. All dimensions to be checked on site. Discrepancies, ambiguities and / or omissions between this drawing and information given elsewhere must be reported immediately to head office for clarification before proceeding.

NOTE:
Levels/falls must be agreed and approved by Engineer prior to construction to ensure they work with the Engineers' drainage solution to avoid ponding. All proposed levels to be ratified on site by contractor or construction team in order to ensure accuracy prior to commencing the works. All queries to be raised with OOBÉ prior to progressing.
