Please state why you wish the condition(s) to be removed or changed

The plans submitted and approved in the previous application had to be reworked due to issues with fire and the historic fabric.

Please see new proposed plans submitted with this application which comply with Approved Document B.

In addition to the fire issues, the current plans do not take into account or show much of the historic fabric or the impact the approved proposal will have on the listed heritage asset,

The plans have also been reworked to create better layouts for the benefit of future occupiers.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
