PART 1 - Particulars of Application

Application Number: 69643

Date of Registration: 23/05/2023

Proposal:

Raise height of front boundary wall with fencing/sliding gates and formation of additional vehicular access

Location:

66 Radcliffe New Road, Whitefield,
Manchester, M45 7GY

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 01. Rev 1, 004. Rev 2, 005. Rev 1 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 The amended access and parking arrangements indicated on the approved plans, incorporating the provision of a new footway crossing and widening of the existing footway crossing, partial removal of the existing boundary wall, provision of electric sliding gates, demarcation of the limits of the adopted highway, hardstanding in a permeable/porous material and/or measures to prevent the discharge of surface water onto the adopted highway and any associated remedial works required to reinstate the footway to its former condition prior to commencement of the development, shall be implemented to the satisfaction of the Local Planning Authority before the new access and parking facilities hereby approved are brought into use.
Reason. To ensure good highway design in the interests of road safety pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and

associated Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

- 4 Facilities for the storage of construction materials shall be provided within the curtilage of the site. The measures shall be retained and facilities used for the intended purpose for the duration of the construction period.
Reason. To maintain the integrity of the adopted highway and ensure adequate off street materials storage arrangements for the duration of the construction period, in the interests of highway safety pursuant to UDP Policy H2/3 Extensions and Alterations.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority worked positively and proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3 H2/3 - Extensions and Alterations
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

Applicant Plan Numbers:

01. Rev 1, 004. Rev 2, 005. Rev 1

NOTES TO APPLICANT

1. The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of the new footway crossing and extension and any required highway remedial works. The cost of the works will be the responsibility of the applicant.
