Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

Keg, Cask & Bottle has occupied the adjacent Unit 7 since June 2019. We currently operate as a specialist beer and drinks merchant and tasting room. A small seating area is provided for customers to use whilst sampling products.

The onsite consumption of products has proved successful, and we are looking to utilise the adjacent vacant unit as a dedicated space for on-site consumption with the existing unit remaining as retail space.

This would require making two openings in the existing party wall -
1x 2.5m x 2.1m within the front-of-house area to allow customers access and 1x 0.9m x 2.1m in order to extend the bar/counter into the new space and to allow staff to access to both parts of the premises.

It is anticipated that the additional space will have room to accommodate approx. 30-35 people seated.

Toilet facilities within the property will be made available for customer use.

The proposed hours of trading would be:

Monday – 12- 8pm

Tuesday – 12-8pm

Wednesday – 12pm – 9pm

Thursday – 12pm – 9pm

Friday – 11am - 10pm

Saturday - 11am - 10pm

Sunday – 12pm - 8pm

The business would not at any stage wish to trade outside the hours of 9am and 11pm.

The unit is part of a purpose-built pedestrianised retail precinct. There are no residential properties in the immediate vicinity.

All large-scale deliveries to the business would enter via the dedicated service yard to the rear accessed via Poppythorn Lane. All refuse containers would also be stored and serviced from this area.

Principle of development

The National Planning Policy Framework (NPPF) notes that drinking establishments constitute a main town centre use. The location relates to a town centre site in a commercial setting. The principle of the proposed development is therefore acceptable

Licensing

The licensing section have commented as follows:

The property at number 7 already holds a premises licence issued under the Licensing Act 2003. Due to the nature of what is being requested he will be required to submit a new application for a premises licence to cover unit 7 and unit 9 to the Licensing Service.

If the premises licence is granted, then he will be required to cancel/surrender the premises licence for unit 7.

Access and highways

The Highway Officer has commented as follows:

There would be no objections to the proposed change of use subject to adequate refuse collection facilities being provided within the curtilage of the site/property demise and/or within communal areas, which should be shown on plans that form part of any future submission.

CONCLUSION

The principle of the development would be acceptable. It constitutes a main town centre use in a town centre.

In responding to your enquiry, the Council has made every effort to ensure that the advice given is as accurate as possible having regard to the details that you have provided. However, this advice is given by an officer of the Council and does not constitute a formal response or decision of the Council with regards to any future planning application(s).

Whilst it may be a material consideration, this response cannot be held to bind the Council in its validation or formal determination of any subsequent application. Please be advised that if an application is subsequently submitted which fails to take on board advice given by officers, then the Council may refuse it without further discussion with the applicant or their agent.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
