On Behalf Of:

Mr Simon Warner
BT Group plc
1 Braham Street
London
E1 8EE

PART 1 - Particulars of Application

Application Number: 71474

Date of Registration: 23/12/2024

Proposal:

Advertisement consent for installation of 1no. new BT Street Hub, incorporating 75" LCD advert screens plus the removal of associated BT Kiosks.

Location:

Pavement adj Aldi 380 Bury New Road,
Prestwich, Manchester, M25 1AR

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposed advertisement screens and hub within which they are sited would result in an unnecessary and unacceptable obstruction of the existing adopted highway on the A56 (Bury New Road) and the creation of additional street clutter for an installation that primarily consists of an advertisement screen, which would be detrimental to pedestrian safety, maintaining existing pedestrian desire lines on the adopted highway on Bury New Road and contrary to the active travel aspirations of the Council. The proposed development therefore conflicts with the following policies of the Development Plan: EN1/9 - Advertisements, EN1/4 - Street Furniture, EN1/2 Townscape and Built Design, JP-P1 Sustainable Places, JP-C5 Streets for All, JP - C6 - Walking and Cycling and the National Planning Policy Framework.
- 2 The proposal would restrict visibility to the right on egress at the junction of the northerly access serving the adjacent Prestwich Church Institute with A56 Bury New Road to sub-standard levels, which would be detrimental to highway safety and the free flow of traffic on the adjacent classified road.
- 3 The proposal would restrict visibility to the left on egress at the junction of the Aldi car park access with A56 Bury New Road to sub-standard levels, which would be detrimental to highway safety and the free flow of traffic on the adjacent classified road.

- 4 The application and submitted plans contain insufficient information to properly assess the impact the proposed LCD display screens will have on driver distraction for passing motorists on the A56 and on the approach to the adjacent signalised junction, to the detriment of highway safety. The proposal therefore conflicts with the following policies of the Unitary Development Plan EN1/9 Advertisements. The proposed development therefore conflicts with the following policies of the Development Plan: EN1/9 - Advertisements, EN1/4 - Street Furniture, EN1/2 Townscape and Built Design, JP-P1 Sustainable Places, JP-C5 Streets for All, JP - C6 - Walking and Cycling and the National Planning Policy Framework.
- 5 The proposed advertisements, by virtue of their illumination, size and siting would appear as an incongruous addition to the street scene which would be severely detrimental to both the appearance of the streetscene and to the general visual amenities of the area contrary to Development Plan Policies EN1/9 - Advertisements, EN1/2 - Townscape and Built Design, EN1/4 - Street Furniture, JP-P1 Sustainable Places and the National Planning Policy Framework.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

EN1/2	EN1/2 - Townscape and Built Design
EN1/4	EN1/4 - Street Furniture
EN1/9	EN1/9 - Advertisements
EN2/1	EN2/1 - Character of Conservation Areas
EN2/2	EN2/2 - Conservation Area Control
NPPF	National Planning Policy Framework
JP-P1	Sustainable Places
JP-C5	Streets For All
JP-C6	Walking and Cycling
HT5/1	HT5/1 - Access For Those with Special Needs

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
