- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

Dear Sir/Madam

I bought this property in April 2021.

I would like to change some part of the flat roof to pitch roof because it is damaged. (Area 87 square meter).

Neighbours said, kids were claiming and playing on the flat roof. So that, it is better to change to a pitch roof and be durable.

The property is empty now. After the roof is changed, I would like to apply for the change of use and give to rent.

Thanking you
Kind regards
Sasikumar
