

69932 – 5 Square Street, Ramsbottom.

Change of use from chiropractor (Class E) to bar (Sui Generis) (Part Retrospective).

No objection to the proposed change of use. It would appear from Streetview images that the front entrance door and windows have been replaced without the benefit of planning permission which may have been required if the alterations are assessed to materially alter the external appearance of the building. This issue may require further investigation.
