Thanks Daniel

Technically, you'll need to resolve this through a s96A non material amendment application as one thing was approved and now you are doing something different.

Observationally, we don't have any objection particularly, but you might want to rectify the error and get the written formal approval of the LPA.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
