Details of the pre-application advice received

Sam Fox emailed me on the 15.09.23 and informed me that she had forwarded it to the planning departments regarding the planning consent query. If you were to change the entire structure of the roof, you may well need building regulations. This would apply if the internal area of the garage is greater than 30M2.

Therefore based on the information given - I applied and paid for building regulations.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
