Proposal: Single storey rear extension; Amendments to all fenestrations including new front entrance lobby, cladding and render

Location: 23 Hillstone Close, Tottington, Bury, BL8 4EZ

Description

The application relates to a detached bungalow at the head of a cul-de-sac. It is set well back from the highway in front with driveway and gardens in front of the house. There are also garden areas to the side and rear of the dwelling. There is a conservatory to the rear and single storey side extension along with two sheds and a third outbuilding to the rear garden.

Planning permission was recently granted at the site for an extension and loft conversion with dormer. The current proposal is for ground floor development only.

The proposal includes a single storey rear extension, amendments to all fenestration including a new front entrance lobby, cladding and render. At the rear the extension would project 3850mm on the north west side and it would measure 6392.5mm wide. It would then be stepped back by 900mm and then 9665mm across the rear of the property. It would project 2950mm on the north east side and the side wall would be built flush with the main side elevation of the house. All elevations would be finished in an off-white/grey render and the front and west side elevations would have the addition of sections of black ecoscape cladding. All windows and doors would have black frames.

Relevant Planning History

71108 - Single storey front and rear extensions; loft conversion with rear dormer and juliet balcony; ridge height increase of 300mm - Approve with Conditions 10/10/2024

Publicity

8 neighbours notified on 22/01/2025 - No comments or objections received.

Statutory/Non-Statutory Consultations

None.

Pre-start Conditions - Not relevant.

Development Plan and Policies

SPD6 Supplementary Planning Document 6: Alterations & Extensions

H2/3 Extensions and Alterations

PFE Places for Everyone

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF), the adopted Places for Everyone Joint Development Plan Document (PfE) and the saved policies within the adopted Bury Unitary Development Plan (UDP), together with other relevant material planning considerations.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP and PfE Policies will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

The main considerations of this application are the impact of the proposal on visual and residential amenity.

Visual Amenity -

SPD 6 and UDP Policy H2/3 seek to achieve a high standard of design that compliments the original building, and does not have a detrimental impact on the character and appearance of neighbouring properties and the general street scene.

The property is set well back from the highway in a corner position at the head of a cul-de-sac and Hillstone Close consists of many different styles of properties. The proposed finished design and materials of the extended property would be considered acceptable in this location.

Given the above the proposal conforms to Bury UDP Policy H2/3 - Extensions and Alterations and the guidance in Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties in terms of visual amenity, and Places for Everyone Joint Development Plan listed.

Residential Amenity -

- There are no properties directly to the front of the site and to the rear there would be more than a sufficient distance from the rear extension not to have any significant detrimental impact on residential amenity at those properties.
- There would be over 10,000mm from the single storey rear extension to the rear site boundary. This would be acceptable in terms of SPD 6.
- There would be no new windows to either side elevation.
- Given the angle/position of the dwelling the proposal would not have any significant detrimental effect on residential amenity at neighbouring properties and gardens.
- The proposed front entrance would not interfere with existing parking arrangements within the site.

The proposal conforms to UDP Policy H2/3 - Extensions and Alterations and the requirements of Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties in terms of separation distance to the surrounding properties .

Parking -

The proposal would not increase the number of bedrooms therefore SPD 11 Parking Standards need not be considered. The parking arrangements would remain as existing where there is parking to the drive at the front of the site.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered ZT24-196-01, ZT24-196-02, ZT24-196-02.5, ZT24-196-03, ZT24-196-05 and ZT24-196-06 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury UDP Policy H2/3 - Extensions and Alterations and the guidance in Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties in terms of visual amenity, and Places for Everyone Joint Development Plan listed.

- 3 The external finishing materials for the proposal hereby approved shall be off-white/grey render and black ecoscape cladding as noted on the proposed drawings and application form.

Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
