

NOTICE OF PLANNING PERMISSION

Town and Country Planning Act 1990 Town and Country Planning (Development Management Procedure) (England) Order 2015

To:

Mrs Clare Hatchman
Neil Pike Architects
Michigan House
17-19 Chorley New Road
Bolton
BL1 4QR

On Behalf Of:

Joanne Dixon
C/o Neil Pike Architects
17-19 Chorley New Road
Bolton
BL14QR

PART 1 - Particulars of Application

Application Number: 68546

Date of Registration: 07/09/2022

Proposal:

Demolition of existing dwelling and
construction of 1no. dwelling

Location:

Outwood Gate Farm, Ringley Road West,
Radcliffe, Manchester, M26 1DL

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered EXK1047/00, EXK1047/01, PLK1047/00D, PLK1047/01/D, PLK1047/02/C, PLK1047/03/B and PS-2218-TS and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 No development, other than demolition, shall be commenced unless and until details/samples of the (materials/bricks) to be used in the external elevations, together with details of their manufacturer, type/colour and size, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Only the approved materials/bricks shall be used for the construction of the development.
Reason. No material samples have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to UDP Policy EN1/1 Visual Amenity.

- 4 Notwithstanding the terms of the Town and Country Planning (General Permitted Development) (England) Order 2015, as subsequently amended, no development shall be carried out within the terms of Classes A to G of Part 1 and Part 2 Class A of Schedule 2 of the Order, without the submission and approval of a relevant planning application.

Reason. To ensure that future inappropriate alterations or extensions do not occur pursuant to policies of the Unitary Development Plan listed.

- 5 No development, other than demolition, shall commence unless and until a 'Construction Traffic Management Plan' (CTMP), has been submitted to and agreed in writing with the Local Planning Authority and shall confirm/provide the following:
- Photographic dilapidation survey of the footways and carriageways abutting the site access onto Ringley Road West in the event that subsequent remedial works are required following construction of the development and as a result of any statutory undertakers connections to the new dwelling;
 - Access point(s) construction traffic from the adopted highway and the development plot;
 - Proposed site hoardings (if proposed) clear of appropriate visibility splays at the junction of the site access with Ringley Road West;
 - Hours of operation and number of vehicle movements;
 - A scheme of appropriate warning/construction traffic speed signage in the vicinity of the site access;
 - Arrangements for the turning and manoeuvring of vehicles within the curtilage of the site, including any requisite phasing of the development to accommodate this;
 - Parking on site (or on land under the applicant's control) of operatives' and demolition/construction vehicles together with storage on site of demolition/construction materials, including any requisite phasing of the development to accommodate this;
 - Measures to ensure that all mud and other loose materials are not spread onto the adjacent adopted highways as a result of the groundworks operations or carried on the wheels and chassis of any vehicles leaving the site and measures to minimise dust nuisance caused by the operations.

The approved plan shall be adhered to throughout the construction period and the measures shall be retained and facilities used for the intended purpose for the duration of the construction period. The areas identified shall not be used for any other purposes other than the parking of vehicles and storage of demolition/construction materials. All highway remedial works identified as a result of the dilapidation survey shall be implemented to the written satisfaction of the Local Planning Authority prior to the dwelling hereby approved being occupied.

Reason. To maintain the integrity of the adopted highway, mitigate the impact of the construction traffic generated by the proposed development on the adjacent adopted highways, ensure adequate off street car parking provision and materials storage arrangements for the duration of the construction period and ensure that the adopted highways are kept free of deposited material from the ground works operations, in the interests of highway safety.

- 6 The car parking and turning facilities indicated on approved plan reference PL K1047/00A shall be provided before the dwelling hereby approved is first occupied and shall subsequently be maintained free of obstruction at all times.

Reason. To minimise the standing and turning movements of vehicles on the site access/highway, in the interests of road safety.

- 7 No development, other than demolition, shall commence until details of the means of ensuring the water main that is laid within the site boundary is protected from

damage as a result of the development have been submitted to and approved by the Local Planning Authority in writing. The details shall outline the potential impacts on the water main from construction activities and the impacts post completion of the development on the water main infrastructure that crosses the site and identify mitigation measures to protect and prevent any damage to the water main both during construction and post completion of the development. Any mitigation measures shall be implemented in full in accordance with the approved details.

Reason: In the interest of public health and to ensure protection of the public water supply.

8 No development, other than demolition, shall commence unless and until:-

- A contaminated land Preliminary Risk Assessment report to assess the actual/potential contamination and/or ground gas/landfill gas risks at the site shall be submitted to, and approved in writing by, the Local Planning Authority;
- Where actual/potential contamination and/or ground gas/landfill gas risks have been identified, detailed site investigation and suitable risk assessment shall be submitted to, and approved in writing by the Local Planning Authority;
- Where remediation/protection measures is/are required, a detailed Remediation Strategy shall be submitted to, and approved in writing by, the Local Planning Authority.

Reason. The scheme does not provide full details of the actual contamination and subsequent remediation, which is required to secure the satisfactory development of the site in terms of human health, controlled waters, ground gas and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

9 Following the provisions of Condition 8 of this planning permission, where remediation is required, the approved Remediation Strategy must be carried out to the satisfaction of the Local Planning Authority within agreed timescales; and A Site Verification Report detailing the actions taken and conclusions at each stage of the remediation works, including substantiating evidence, shall be submitted to and approved in writing by the Local Planning Authority prior to the development being brought into use.

Reason. To secure the satisfactory development of the site in terms of human health, controlled waters and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

10 No development, other than demolition, shall be commenced unless a landscaping scheme is submitted to, and approved by the Local Planning Authority. The scheme should include boundary hedge planting and native tree and shrub planting and the provision of bat and bird boxes. The approved scheme shall thereafter be implemented not later than 6 months from the date the building is first occupied or within the first available planting season, and any trees or shrubs removed, dying or becoming severely damaged or becoming severely diseased within five years of planting shall be replaced by trees or shrubs of a similar size or species to those originally required to be planted.

Reason. To secure the satisfactory development of the site and in the interests of visual amenity pursuant to Policies H2/2 The Layout of New Residential Development, EN1/1 Visual Amenity and EN8/2 Woodland and Tree Planting of the Bury Unitary Development Plan and chapter 15 Conserving and enhancing the natural environment of the NPPF.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority worked positively and proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

EN1/1	EN1/1 - Visual Amenity
EN2/3	EN2/3 - Listed Buildings
OL1/2	OL1/2 - New Buildings in the Green Belt
SPD8	Development Control Policy Guidance Note 8 - New Buildings and Associated Development in the Green Belt
EN1/2	EN1/2 - Townscape and Built Design
EN7	EN7 - Pollution Control
EN6	EN6 - Conservation of the Natural Environment
EN1/11	EN1/11 - Public Utility Infrastructure
NPPF	National Planning Policy Framework
H2/1	H2/1 - The Form of New Residential Development
H2/2	H2/2 - The Layout of New Residential Development
H1/2	H1/2 - Further Housing Development

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

Applicant Plan Numbers:

drawings numbered EXK1047/00, EXK1047/01, PLK1047/00D, PLK1047/01/D, PLK1047/02/C, PLK1047/03/B and PS-2218-TS

NOTES TO APPLICANT

- . Bin storage and refuse collection arrangements shall be provided within the curtilage of the site in accordance with Waste Management's 'Guide to Refuse Collection Requirements & Storage Methods for New Developments'.

The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of any highway remedial works that may be required as a result of the demolition/construction works proposed. The cost of the works will be the responsibility of the developer.
