## 1. Introduction

1.1 Proposed front extension for Clarks Craft ("the Applicant") for the site known as **Clarks Craft, Empire Works, Ramsbottom.**

1.2 This Statement has been prepared by Zach Thorp of Thorp Design Services.

## 2. Digital Connectivity Statement

2.1 Policy JP-C2 states this development to have full fibre to premises connections unless infeasible or unviable, with multiple-ducting. The policy supports the provision of free, secure, high-speed public wi-fi connections, particularly in the most frequented areas.

For the purpose of this study we have had to use the postcode of the unit next door for the speeds as the units post code could not be found by the provider.
