Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Reason for this is due to the fact that one of the bedrooms in the property is currently used as a kids study area and as an office. We will be utilising the same space for VOI Corporate Services without the need for any additional equipment or space.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

I have attached photographs of the room on the first floor of the house where all of the business activities will be taking place.
Also I have attached an email transcript with Salford council who referred me to yourselves to make things clearer and for you to understand our objective.

Select the use class that relates to the existing or last use.

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Information about the proposed use(s)

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

In order for VOI corporate services to move forward with our business model we would require a PCO license issued by Salford Council licensing department. Having had conversations with them & advising them of our business model and activities they referred us to Bury council to obtain a Lawful Development Certificate in order for them to then issue us with a PCO license. As there are no changes being made to our property & we will be utilising current work space we feel that we should be granted the certificate.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
