E - Dental Surgery

Is the proposed operation or use

☒ Permanent

☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The building has been used as a Dental Practice for over 30 years; Ground Floor as a surgery & Reception with the upper floors for staff and storage.

The proposal is to form an additional 3 surgery rooms at first floor and move the staff area up into the roof space.

We are assuming that as all floors of the building have been used as part of the dental practice for the last 30 years; that a change of use is not required to install additional surgery rooms at first floor and move the staff area to the roof space.
