

BURY COUNCIL
DEPARTMENT OF OPERATIONS

REF NO: 25/067

FROM: Head of Engineering

TO: Head of Development Management

Planning Application No: 71604

Location: 4 Parkstone Avenue, Whitefield, Manchester, M45 7QH

Development: Raising of roof ridge height with loft conversion; Single storey extensions at side and rear and new front porch; External alterations/render/cladding to external elevations; Alterations to existing driveway/new vehicular access

RECOMMENDATION

I recommend that any planning permission given shall include the following conditions:

1. The amended access and parking arrangements indicated on the approved plans, incorporating the reinstatement of the existing footway crossing to adjacent footway levels and provision of edgings with a 50mm upstand at the back of the footway, provision of a new footway crossing and demarcation of the limits of the adopted highway in flush edgings, hardstanding in a permeable/porous material and/or measures to prevent the discharge of surface water onto the adopted highway and all associated highway remedial/accommodation works required to reinstate the footway to its former condition prior to commencement of the development, shall be implemented to the satisfaction of the Local Planning Authority before the extensions and new parking facilities hereby approved are brought into use. (HY08 Amended)
2. The development hereby approved shall not be commenced unless and until facilities for the storage of construction materials have been provided within the curtilage of the site to the satisfaction of the Local Planning Authority. The facilities shall be retained for the intended purpose and the area identified shall not be used for any other purposes other than the storage of construction materials for the duration of the construction period.

Reasons

1. To secure the satisfactory development of the site in terms of highway safety, ensure good highway design and maintain the integrity of the adopted highway, all in the interests of highway safety.
2. To maintain the integrity of the adopted highway and ensure adequate off highway materials storage arrangements are provided for the duration of the construction period, in the interests of highway safety.

Cont/.....

Comments and Observations

1. This recommendation relates to the revised plan received by this Section on 28 March 2025. (N025 Amended)
2. The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of the required highway works. The cost of the works will be the responsibility of the applicant. (N004 Amended)

Date: 25 April 2025
