PART 1 - Particulars of Application

Application Number: 67505

Date of Registration: 16/11/2021

Proposal:
Two storey extension at side/rear with
balcony to the front; Rear dormer extension;
Erection of outbuilding in rear garden

Location:
411 Manchester Road, Bury, BL9 9RY

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The application and submitted plans for the proposed extension contain conflicting information in relation to floor plans with elevations, finishing materials and therefore cannot be properly assessed.
- 2 The application and submitted plans contain insufficient information regarding garden levels, lack of roof plan and ground levels for the out building to enable them to be properly assessed.
- 3 The design of the proposed extension is neither appropriate to, nor sympathetic with the existing structure, and would be detrimental to the visual amenity of the area. The proposed development therefore conflicts with Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan, Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties, Paragraph 41 of the National Design Guide and Section 12 - Achieving well designed places paragraphs 126 and 134 of the National Planning Policy Framework.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which

could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3 H2/3 - Extensions and Alterations

SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

NPPF National Planning Policy Framework

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
