Afternoon Dean,

Following on from our site meeting, last Tuesday the 23rd July, with the applicants brother and resident of the mobile home, to discuss the application, we can confirm our collective agreement for a "temporary" approval for the siting of the caravan on the land for residential occupation for a period of up to 3 years from the date of approval of the application AND that it shall be solely for the use of the applicants brother only!! IE The current incumbent.. And not for any other person and/or third party.

We do hope and trust the above response is satisfactory and will subsequently enable you to issue the relevant approval and associated conditions accordingly in due course.

Regards,

Simon Jackson (Agent).
