### **PART 2 - Particulars of Decision**

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposed advertisement would, by reason of its size and siting, be out of character and severely detrimental to the general visual amenities of the area as it would introduce an alien feature in the street scene. The proposal would therefore be contrary to the following policy of the Bury Unitary Development Plan: EN1/9 - Advertisements.
- 2 The applicant has failed to demonstrate that they have the consent of the landowners and therefore they are unable to comply with Condition 1 of Schedule 2 The Standard Conditions of The Town and Country Planning (Control of Advertisements) (England) Regulations 2007 Regulations.

### **Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015**

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

**The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:**

EN1/9 EN1/9 - Advertisements  
EN1/2 EN1/2 - Townscape and Built Design  
EN1/4 EN1/4 - Street Furniture  
NPPF National Planning Policy Framework

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
