Description of Proposed Works

Please describe the proposed works

Single storey, flat-roof rear extension, with increase in height of existing garage walls. Removal of 1 no. tree to rear. Replacement front doors to existing porch, in same style.

Has the work already been started without consent?

- ☐ Yes
- ☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
- ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

Red facing brick to front elevation, laid in stretcher bond. Red common brick to side and rear elevation, laid in stretcher bond. Red facing brick soldier course heads to windows at front, side and rear.

Proposed materials and finishes:

The proposed single-storey rear extension and alterations will incorporate a restrained palette of materials that complement the existing dwelling. External walls to the rear extension and to the new upper section above the retained garage walls will be finished in black render. A red engineering brick plinth is proposed at the base of the extension to provide durability at low level and to visually ground the new addition. Vertical natural timber cladding panels are introduced between selected window openings to add texture and articulation to the rear elevation. A continuous band of decorative brickwork is proposed above the retained garage walls and beneath the rendered upper level. This detailing will align with the heads of adjacent window openings and will match the existing brickwork, reflecting the detailing found on the front boundary wall to ensure visual continuity with the host property.

Type:

Roof

Existing materials and finishes:

Grey slate roof tile to main pitched roof. Asphalt flat roof covering to single-storey garage.

Proposed materials and finishes:

Single-ply membrane to flat-roof rear extension, and to raised garage roof.

Type:

Boundary treatments (e.g. fences, walls)

Existing materials and finishes:

Red facing brick to low front boundary wall, with decorative heading, consisting of soldier course head, with protruding running bond below.

Proposed materials and finishes:

As existing.

Type:

Windows

Existing materials and finishes:

White uPVC window and door units.

Proposed materials and finishes:

Black uPVC glazing to proposed rear extension and rear elevation at ground floor. Replacement white uPVC windows to existing front porch.

Type:

Doors

Existing materials and finishes:

White uPVC doors to front and rear. White metal garage door.

Proposed materials and finishes:

Black uPVC doors to proposed rear extension and rear elevation at ground floor. Replacement white uPVC doors to existing front porch.

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

- ☒ Yes
☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
